HVEM ER HEY DUDE?

– HEYDUDE™ ER IKKE BARE ET NAVN.
DET ER EN HOLDNING.

Hey Dude ble grunnlagt i 2008 med mål om å lage sko som kombinerer komfort, letthet og casual stil.

Merket har italiensk-amerikansk bakgrunn og er kjent for innovative materialer og produksjonsteknikker som gjør skoene ekstremt lette og fleksible.

Hey Dude har raskt vokst til å bli et globalt favorittmerke innen fritidssko, med kunder som setter pris på komfortable og moderne sko for hverdagsbruk, reise og lettere friluftsliv.

HVA SKILLER HEY DUDE?

Hey Dude skiller seg ut med sin unike **kombinasjon av ultralett komfort, fleksibilitet og moderne casual design**. Skoene er laget for en aktiv livsstil – en perfekt balanse mellom stil, funksjon og frihet.

De er konstruert med **superlette såler**, pustende materialer og myke innersåler som former seg etter foten. Resultatet er sko som føles nesten vektløse, men som samtidig gir god støtte gjennom hele dagen.

Hey Dude står også for **enkelhet og bærekraftig tenkning** – mange modeller er laget med resirkulerte materialer og designet for lang levetid.

HVA ER VI MEST KJENT FOR?

- ☐ Ekstrem komfort – myke såler, fleksible materialer og lett vekt gjør skoene behagelige hele dagen.
- ☐ Lettvekt og fleksibilitet – mange modeller veier kun noen få hundre gram, noe som gir følelse av å gå nesten uten sko.
- ☐ Casual stil – uformelle sko med moderne design, tilgjengelige i mange farger og mønstre.
- ☐ Allsidighet – passer til hverdagsbruk, reise og lettere utendørsaktiviteter.
- ☐ Enkel å ta på og av – slip-on modeller med elastiske snøringer eller velcro-løsninger.

Kort fortalt: Hey Dude kombinerer komfort, letthet og casual design på en måte som gjør skoene til en favoritt for folk som ønsker fritidssko som kan brukes hele dagen, både inne og ute.

BARNESKO

å jakt etter det perfekte paret sko som både barn og foreldre elsker? Hos HEYDUDE™ finner du garantert det du leter etter – og mer til. Våre modeller er fulle av personlighet og like enkle å vedlikeholde som de er å bruke, noe som gjør dem til en favoritt hos både barn og voksne.

Barnesko skal være komfortable, morsomme og tåle alt livet som barn byr på. HEYDUDE leverer – og med vårt brede utvalg av støvler, slip-ons, sneakers og sko til skolebruk kan du gjøre all shoppingen på ett og samme sted.

Barn fortjener å la sin unike stil skinne. Sett dere ned og bla gjennom vårt fargerike utvalg sammen – vi har alt fra lekne ensfargede varianter til mønstre og print som galakse, kamuflasje, dyremønster, hjerter og magiske enhjørninger. Glitrende øyne og små føtter som danser av glede er nesten garantert når pakken fra HEYDUDE ankommer.

Leter du etter sko til de minste? Våre modeller for barnehagebarn, babyer og småbarn er perfekte for de første skrittene. Fra de første vaklende trinnene på gulvet til lek og moro på lekeplassen – våre barnesko er designet for å støtte hvert eneste steg. Alle skoene har myke innersåler som gir sky-lignende komfort, og slip-on-design som gjør det enkelt å komme seg ut døren. Tenk hvor stolte barna blir når de klarer å ta på skoene helt selv – og hvor mye enklere det gjør morgenen for deg.

For skolebarn og større barn vet vi at sko får gjennomgå. Velg et merke som tåler reisen – hele veien. Barna vil føle seg trygge og komfortable i sine fargerike favoritter, og du kan glede deg over hvor enkle de er å rengjøre. De kan hoppe i sølepytter, leke i gjørma og løpe gjennom gresset uten bekymring – og du kan la dem leke fritt.

Vi lager både guttesko og jentesko i mange varianter – hi-tops, tennissko, sandaler, fold-over-mokkasiner og mer. Våre mest kjente modeller finnes også til barn: Bradley-støvelen holder små tær varme og anklene støttet, enten de klatrer over stokker eller utforsker stier. Wendy og Wally slip-ons er perfekte både i skolegården og til festlige anledninger. Og ikke minst, Conway – den ultimate slip-on – med avslappet stil og superenkel påtaking.

Fyll opp skohylla til skolestart, bytt ut et utslitt par, eller kjøp en gave til bursdag, jul – eller bare fordi. Barna vil elske å åpne pakken, og de voksne vil sette pris på den praktiske gaven. Enten du er besteforelder, tante, onkel eller venn, gir sko fra HEYDUDE hele familien en grunn til å smile.

HEYDUDE-sko er laget for å vare – bruk dem, vask dem, bruk dem igjen, og gi dem videre til neste barn som vil elske dem. Med modeller og størrelser som passer for barn fra 1 til 99 år, kan sko fra HEYDUDE bli en fast og kjær familietradisjon.
